

ABOUT ME

I'm Alex, a fourth-year PhD student at Texas A&M University-Corpus Christi. Ready to hop on board as I dive into this project and explore the wonders of science education? Let's make learning an adventure together!

**TRADITIONAL
CLASSROOM
LECTURE
ABOUT CORAL
REEF BIOLOGY**

**VIRTUAL FIELD
TRIP TO VISIT
CORAL REEFS
AND MARINE
RESEARCH
STATIONS**

**LAB PROJECT
MEASURING
CORAL GROWTH
UNDER
ENVIRONMENTAL
CHANGE**

Project Goal: Empower and evaluate students' STEM (Science, Technology, Engineering, and Math) engagement through immersive, enjoyable learning experiences integrating virtual field trips and hands-on activities

HOW DOES A VIRTUAL CORAL REEF FIELD TRIP AND HANDS-ON LAB ACTIVITY EMPOWER AND ENGAGE HIGH SCHOOL STUDENTS' IN:

Science in School?

STEM Careers?

Marine Science?
